Models may vary from the image shown, different layout, color and switch variants available

Clear-cut design mechanical keyboard with anodized metal plate

Reliable. Minimalistic. Mechanical. The KC 200 MX is the mechanical keyboard with perfect value for money – for all users who appreciate high quality and a modern design. An anodized metal plate and the minimalistic dimensions create a unique clean look.

CHERRY MX technology with Gold Crosspoint contact switches (Made in Germany) offers unrivaled precision and an incomparable typing experience. Sculpted keycaps further add to the pleasant feel. It goes without saying that the KC 200 MX also comes with Anti-Ghosting and Full-N-Key rollover, so that no inputs are lost. All this combined with a quick response time not only makes it a good choice for programmers, creators and keyboard enthusiasts – it also works great as a gaming keyboard.

MX Becomes MX2A: Our new CHERRY MX2A mechanical switch that replaces the current MX full-size switch range. The CHERRY MX2A promises smoother operation for a more responsive and satisfying typing experience, improved acoustics for a more pleasant sound and—depending on the selected switch variant—a guaranteed service life of more than 100 million keystrokes. If you are looking for a silent mechanical keyboard for your office, the CHERRY MX2A Silent Red switches are the perfect choice for you. The silent switches can easily withstand 50 million keystrokes. However, if you prefer a more tactile typing experience and want to use the keyboard in the office or when gaming, the CHERRY MX2A Brown switches are suitable for you. The Brown switches effortlessly handle 100 million keystrokes without loss of input quality.

Four additional keys above the NUM pad give you direct control over volume and the calculator app – perfect for daily office use. The CAPS LOCK, SCROLL and NUM keys have a status LED built-in.

The F-keys were left with no secondary functions, so you can customize your own shortcuts, macros and more with the CHERRY KEYS software. It's available free of charge at www.cherry.de/keys. With CHERRY KEYS you can configure your keyboard to perfectly suit your individual needs.

The KC 200 MX corded PC keyboard is a versatile addition to your workspace – it is solid, resilient, adaptable, durable and stylish. It is the perfect choice for office and gaming alike.

Features

- Modern design: Bronze-colored metal plate, minimalistic dimensions and sculpted keycaps
- CHERRY MX Switches: Available in different switch variants – all made in Germany and featuring Gold-Crosspoint contact precision.
- White LED indicators built into the status keys (CAPS LOCK, SCROLL, NUM),
- 4 additional keys for volume controls and calculator
- Anti-Ghosting and N-Key-Rollover

Technical Data

Layout (country or language):
Product dependent, see table "Models"

Housing color:
Product dependent, see table "Models

Weight Keyboard :
approx. 832g

Total weight (with packaging):
approx. 1098 g

Cable Length:
approx. 1.6 meters

Storage temperature:
--20 °C to 60 °C max 85% humidity

Operating temperature:
0 °C to 40 °C max 85% humidity

Current consumption Keyboard:
max. 100 mA

Interface:
USB connection

Product approvals:
- CE
- FCC
- EU RoHS
- China RoHS
- UKCA
- KCC
- Windows Hardware Compatibility

System requirements:
- USB-A port
- Windows 7, 8, 10, 11

Delivery contents:
- Keyboard
- Manual

Dimensions product:
Keyboard:
approx. 430 x 122 x 38 mm (feet folded in)
approx. 430 x 122 x 46 mm (feet folded out)

Packaging dimensions:
approx. 455 x 165 x 44 mm

Keyboard:
- Design: Fashionable , Slim design
- Number of keys: 108 keys for EU-, CN-, or US-layout; 109 keys for other versions
- Keycap technology: Painted, lasered and UV-coated ABS keycaps
- Polling rate: 1000 Hz
- Low Latency, Full-N-Key rollover, Anti-Ghosting
- Status keys: White leds (CAPS LOCK, SCROLL, NUM)
- Upper housing material: Aluminum with CNC processing and anodizing
- Housing color: Product dependent, see table "Models"
- Key color: Product dependent, see table "Models"

Packaging Unit:
Number of products in the master carton: 8
Number of master packages per pallet: 16
