100-Word Product Description	The CORSAIR SABRE RGB PRO Gaming Mouse is designed for and tested by esports pros, weighing an ultra-light 74g and equipped with a drag-reducing flexible paracord cable for responsive, unhindered movements. CORSAIR QUICKSTRIKE Buttons ensure every click is immediate and responsive, while CORSAIR AXON hyper-processing technology delivers inputs to your PC up to 8x faster with 8,000Hz hyper-polling. The SABRE RGB PRO is equipped with an 18,000 DPI optical sensor customizable in 1 DPI steps, with a DPI button to cycle through five presets on-the-fly. Finished with high-quality materials such as 50 million click-rated OMRON switches and 100% PTFE glide pads, the SABRE RGB PRO will cut through the competition.
50-Word Product Description	The CORSAIR SABRE RGB PRO Gaming Mouse is designed for and tested by esports pros, weighing an ultra-light 74g and equipped with a drag-reducing flexible paracord cable for responsive, unhindered movements. CORSAIR QUICKSTRIKE Buttons ensure every click is immediate and responsive, while CORSAIR AXON hyper-processing technology delivers inputs to your PC up to 8x faster with 8,000Hz hyper-polling.
25-Word Product Description	The CORSAIR SABRE RGB PRO Gaming Mouse is designed with feedback from esports pros, weighing an ultra-light 74g and equipped with a drag-reducing flexible paracord cable for responsive, unhindered movements.
Product Features (Style 1)	• CORSAIR CHAMPION SERIES products are designed for and tested by top esports professionals – helping to carry you to victory with a tournament-grade mouse featuring a comfortable ergonomic shape for claw and palm grips, long-term comfort, and fast movement with hyper-responsive inputs. • Weighing in at an ultra-light 74g to support rapid movements and twitch reflexes, the SABRE RGB PRO's sturdy design keeps up with your longest matches. • CORSAIR QUICKSTRIKE buttons use a spring-loaded design, delivering zero gap between the primary mouse buttons and their switches, so your clicks, shots, and spells are faster than ever.

- CORSAIR AXON hyper-processing technology transmits your movements and clicks to your PC up to 8x faster than conventional gaming mice with 8,000Hz hyper-polling.
- An extremely light and flexible paracord weave cable dramatically reduces drag to keep your mouse movements fluid and agile.
- A custom PixArt PMW3392 native 18,000 DPI optical sensor, with 450 IPS tracking at up to 50G acceleration, delivers unbeatable precision fully customizable in 1 DPI resolution steps.
- Built with trusted OMRON left and right-click switches, guaranteeing tournament-grade performance for 50 million clicks.
- Five onboard DPI presets can be re-programmed to tune your sensitivity steps on-the-fly, and cycled through using a dedicated DPI button with LED indication.
- Dynamic two-zone RGB backlighting lets you choose from preset lighting effects or create your own with near-limitless customization in iCUE software.
- Mouse feet built from ultra-low friction PTFE pads offer the smoothest glide and quickest movements, easy to replace if they get worn down on your journey to the top.
- Powerful iCUE software enables quick DPI adjustments, with custom macros or button remaps for all six mouse buttons in a single interface.

Product Features (Style 2)

- **Built for Champions:** CORSAIR CHAMPION SERIES products are designed for and tested by top esports professionals – helping to carry you to victory with a tournament-grade mouse featuring a comfortable ergonomic shape for claw and palm grips, long-term comfort, and fast movement with hyper-responsive inputs.
- **Ultra-Light Agility:** Weighing in at just 74g to support rapid movements and twitch reflexes, the SABRE RGB PRO's sturdy design keeps up with your longest matches.
- **CORSAIR QUICKSTRIKE Buttons:** Spring-loaded design delivers zero gap between the primary mouse buttons and their switches, so your clicks, shots, and spells are faster than ever.
- **CORSAIR AXON Hyper-Processing Technology:** Transmits your movements and clicks to your PC up to 8x faster than conventional gaming mice with 8,000Hz hyper-polling.
- **Drag-Reducing Paracord Cable:** An extremely light and flexible cable with a paracord weave dramatically reduces resistance and drag to keep your mouse movements fluid and agile.
- **Native 18,000 DPI Optical Sensor:** A custom PixArt PMW3392 sensor, with 450 IPS tracking at up to 50G acceleration, delivers unbeatable precision fully customizable in 1 DPI resolution steps.
- **Durable OMRON Switches:** Built with trusted OMRON left and right-click switches, guaranteeing tournament-grade performance for 50 million clicks.
- **Five Onboard DPI Presets:** Can be re-programmed to tune your sensitivity steps on-the-fly, and cycled through using a dedicated DPI button with LED indication.
- **Dynamic Two-Zone RGB Backlighting:** Choose from preset lighting effects or create your own with near-limitless customization in iCUE software.
- **100% PTFE Glide Pads:** Mouse feet built from ultra-low friction PTFE pads offer the smoothest glide and quickest movements and are easy to replace if it gets worn down on your journey to the top.
- **Powerful iCUE Software:** Enables quick DPI adjustments, with custom macros or button remaps for all six mouse buttons in a single interface.

Specifications

Wired Connectivity	USB 2.0 Type-A
Sensor	PixArt PMW3392
Sensor Type	Optical
Resolution	100 – 18,000 DPI, with 1 DPI steps
Click Buttons	QUICKSTRIKE buttons with zero gap
Button Count	6
Backlight	2-Zone RGB
DPI Indicator	Yes, 3 RGB LED's (1-zone)
USB Report Rate	Up to 8,000Hz hyper-polling*
On-board Memory	Yes
Color	Black
Mouse Feet	100% PTFE

Cable	2.1m / 7 ft., drag-reducing paracord, black, fixed	
iCUE (Software)	Supported	
Dimensions (w/o cable)	129(L) x 70(W) x 43(H) mm / 5.1(L) x 2.76(W) x 1.7(H) in	
Weight (w/o cable)	74 g / 0.17 lbs	
Warranty	Two years	

*Higher USB polling rates use additional system processing power. A minimum of an Intel® i7 9th generation or AMD Ryzen™ 7 2nd generation processor (or equivalent) is required for the best 8,000Hz hyper-polling experience.
