PRODUCT DESCRIPTION

LONG:

Shine online, anywhere, anytime. Edge-lit with multi-layer diffusion technology, powered by battery or mains, Key Light Mini makes you look amazing from the studio to the street. Attach to a tripod or metal surface thanks to the ¼-inch thread and embedded magnetic mount. Adjust brightness and color temperature via the onboard controls or app on iPhone, Android, Mac or PC. When connected to a wall outlet, activate Studio Mode to bypass the battery and preserve power for when you head out. When running on battery, set Energy Saver Mode to stay illuminated for longer. With Key Light Mini, everywhere is the perfect place to create.

MEDIUM:

Shine online, anywhere, anytime. Edge-lit with multi-layer diffusion technology, powered by battery or mains, Key Light Mini makes you look amazing from the studio to the street. Mount on a tripod or metal surface thanks to a ¼-inch thread and built-in magnet. Adjust brightness and color temperature via the onboard controls or app on iPhone, Android, Mac or PC. With Key Light Mini, everywhere is the perfect place to create.

SHORT:

Battery powered and compatible with iPhone, Android, Mac and PC, Key Light Mini makes you shine online. Anywhere, anytime.

KEY LIGHT MINI
