PRODUCT DESCRIPTION

LONG:

Boasting 32 customizable LCD keys poised to launch unlimited actions with a tap, Stream Deck XL takes live production control to a whole new level. Instantly activate scenes, launch media, switch cameras, tweak lighting, adjust audio, post tweets, and more. Directly control your entire setup. And get immediate visual feedback to confirm your every command. Stream Deck XL integrates seamlessly with your favorite tools and platforms, including OBS Studio, XSplit, Streamlabs, Twitch, YouTube, Mixer, OvrStream, VoiceMod, Vmix, and StreamElements. All so you can easily power through your workflow, and engage your audience like never before.

MEDIUM:

Stream Deck XL takes live production control to a whole new level. Seamlessly integrated with your favorite tools and platforms, 32 customizable LCD keys let you instantly trigger unlimited actions with a tap. So you can easily power through your workflow, and engage your audience like never before.

SHORT:

Boasting 32 customizable LCD keys poised to launch unlimited actions with a tap, Stream Deck XL takes production control to a whole new level.
