

SKU Live Date	May 25, 2015, 6:00AM PST (UTC -8:00)
Product Full Name/Title	Flash Survivor Stealth 128GB USB 3.0 Flash Drive
Part Number/ UPC	CMFSS3B-128GB 843591066396
Product Imagery	Product Imagery
Compatibility List	USB 3.0 interface, USB 2.0 compatible
Description	Flash Survivor Stealth 128GB USB 3.0 Flash Drive

Overview

Military-style, adventure-proof design: constructed from hard-anodized aircraft-grade aluminum, waterproof to 200 meters with an EPDM water seal, and both shockproof and drop tested with a molded shock-dampening collar.

This unique drive is designed to protect your valuable data on your next covert operation. It offers high performance USB 3.0 and full compatibility with USB 2.0. Just plug it in and it works, with Windows, Mac OS X and even Linux. The Flash Survivor Stealth USB 3.0 is backed by Corsair, a respected name with a passion for quality and customer service.

Features

Feature	Benefit
Hard-anodized, aircraft-grade aluminum housing	Extreme durability, unique design and exciting looks.
EPDM water seal	Sealed tight and waterproof up to 200 meters.
Molded shock damping collar	Protection from vibration or impact damage.
High performance USB 3.0	Faster speed on the newest systems and enjoy full support on older systems.
Limited 5 years warranty	Peace of mind. A statement of Corsair product quality and reliability.

Technical Specs

Unformatted Capacity¹: 128GB

Interface Type: USB 3.0, USB 2.0 compatible

¹Some of the listed capacity on a flash storage device is used for formatting and other functions and thus is not available for data storage. The actual available capacity for data storage is less than the capacity stated on the products.
