Documentation	Quick Start Guides
100-Word Product Description	A CORSAIR PBT DOUBLE-SHOT PRO Keycap Mod Kit gives your keyboard added durability and personalization. Rigid 1.5mm-thick double-shot PBT keycaps include a textured bottom surface for added grip and stability that resists wear, fading, and shine. The full-size keyboard set includes a standard bottom row layout, making it compatible with any CORSAIR mechanical and optical-mechanical keyboard with a standard bottom row, such as the CORSAIR K100 RGB, and all other MX keyboards. Multiple striking color options accentuate your desktop aesthetic, while included optional O-ring dampeners soften keystrokes for a quieter and more comfortable experience when gaming or typing. For long-lasting durability and a vibrant color variety, customize like a pro with PBT DOUBLE-SHOT PRO.
50-Word Product Description	A CORSAIR PBT DOUBLE-SHOT PRO Keycap Mod Kit gives your keyboard added durability and personalization. Rigid 1.5mm-thick double-shot PBT keycaps include a textured surface for added grip and stability that resists wear, fading, and shine. A standard bottom row layout and multiple striking color options match both your keyboard and your unique desktop aesthetic.
25-Word Product Description	A CORSAIR PBT DOUBLE-SHOT PRO Keycap Mod Kit gives your keyboard added durability and personalization thanks to thick double-shot PBT plastic with textured surfaces and multiple striking color options.
Product Features (Style 1)	<ul style="list-style-type: none"> Durable PBT plastic keycaps with a textured surface resist wear and shine while providing added grip for long-term durability and performance.

- Thick 1.5mm double-shot walls combine with a sharp, modern font to deliver superior keypress stability and fade-free backlit legends.
- Full-size keycap set and a standard bottom row layout ensures compatibility with all CORSAIR mechanical and optical-mechanical keyboards with a standard bottom row and all other CHERRY MX-compatible keyboards. *
- Available in an array of striking colors, so you can choose your aesthetic and customize your keyboard to match the rest of your setup.
- Optional included silicone O-ring dampeners soften the sound and feel of keystrokes, offering a quieter and more comfortable experience when gaming or typing.
