<b>First Customer Ship Date</b>	June 18, 2024
<b>Product Etail Title</b>	CORSAIR iCUE LINK LX120 RGB 120mm PWM Fan Expansion - Dual Light Loops – Requires iCUE LINK System Hub (Sold Separately) - CORSAIR AirGuide Technology
<b>Product Title</b>	CORSAIR iCUE LINK LX120 RGB 120mm PWM Fan Expansion
<b>Product Name</b>	CORSAIR iCUE LINK LX120 RGB 120mm PWM Fan Expansion
<b>Pre-Order Option</b>	No
<b>Product Imagery Link</b>	<a href="#">LINK</a>
<b>Password</b>	Lx_rgb@124fw

**Overview**

**25 Word Product Description**

Add another CORSAIR LX120 RGB Fan to your PC, featuring terrific airflow, dual light loops, and simplified iCUE LINK connectivity.

**Overview**

**50 Word Product Description**

Add another CORSAIR LX120 120mm PWM Fan to your iCUE LINK setup, featuring PWM fan speeds up to 2,400 RPM and 18 vibrant RGB LEDs per fan. CORSAIR AirGuide technology concentrates airflow for optimal cooling, while Magnetic Dome bearings ensure quieter, longer-lasting operation. iCUE LINK connectivity makes for faster, simpler setup with less cabling than ever before.

**Overview**

**100 Word Product Description**

Add another CORSAIR LX120 120mm PWM Fan to your iCUE LINK setup, keeping your system cool with PWM fan speeds up to 2,400 RPM. 18 RGB LEDs across dual light loops bring amazing lighting to your PC with the refreshingly simple setup of iCUE LINK. With 5.22mmH2O static pressure and 69.9 CFM airflow, the LX RGB has the cooling power to match its looks. CORSAIR AirGuide technology features anti-vortex vanes that concentrate airflow for optimal cooling. Enjoy quieter operation and extended fan life thanks to CORSAIR Magnetic Dome bearings. The revolutionary iCUE LINK ecosystem connects all your components with fewer cables – including the ability to connect your fans together directly into a single seamless block.

## Features

- **Stunning RGB Lighting with Dual Light Loops:** 18 LEDs per fan spread across an inner and outer loop enable brilliant, customizable lighting that can be synchronized with all your iCUE RGB devices.
- **Effective and Efficient Cooling:** Deliver superb airflow to your system with precise PWM controlled speeds up to 2,400 RPM, pushing 69.9 CFM of air. An impressive 5.22mmH<sub>2</sub>O static pressure also gives the LX RGB the force it needs for mounting to radiators.
- **LINK Your Fans Together:** The included iCUE LINK bridge connectors can connect your fans directly to each other, creating a seamless bank of fans all connected to the iCUE LINK System Hub (sold separately) with just a single cable.
- **CORSAIR AirGuide Technology:** Anti-vortex vanes direct airflow at your hottest components for concentrated cooling, pushing air more efficiently.
- **Quiet Operation with Magnetic Dome Bearing:** CORSAIR's Magnetic Dome bearing is a refinement of the renowned magnetic levitation bearing, minimizing noise and reducing friction for greater longevity.
- **One-Twist CORSAIR QuikTurn™ Screws:** You'll never want to go back to regular screws after installing a full set of fans in seconds. QuikTurn screws save both your precious time and your hands.
- **Zero RPM Mode:** Supports Zero RPM PWM signals to completely eliminate fan noise at low loads.
- **Time Warp Lighting Mode:** This eye-popping effect makes your fans appear to be frozen in place or even spin backwards, exclusive to iCUE LINK thanks to an individual MCU in each fan
- **Unite Your Setup:** Create automated fan curves with powerful CORSAIR iCUE software, for intelligent cooling that responds to your system's needs.
- **Part of the iCUE LINK Ecosystem:** iCUE LINK is the next leap forward in PC building, spanning across fans, coolers, PSUs, and more, letting you neatly chain all of these components together for clean cabling, less mess, and a faster build.

## Tech Specs

Dimensions (mm):	120mm x 120mm x 25mm
Rated Current - Fan:	0.40A
Speed:	0, 400 - 2400 RPM ±10%
Airflow:	9.75 - 69.9 CFM
Static Pressure:	0.13 - 5.22 mm-H <sub>2</sub> O
Sound Level:	10 - 36 dBA
Connection cable:	iCUE LINK
PWM Control:	0%, 20% - 100%
Bearing Type:	Magnetic Dome
Cable Length:	135mm
Warranty:	5 Years

**Box Contents**

- 1x LX120 RGB Fan
- 1x Active Connector
- 1x Passive Connector
- 1x iCUE LINK Cable, 135mm, Slim-Slim Cable Head
- 4x QuikTurn Mounting Screws
