

Vengeance LPX Series

High Performance overclocking for DDR4

SKU Live Date	March 10 th , 2015
Product Full Name/Title	CORSAIR Vengeance LPX 4GB (1 x 4GB) DDR4 DRAM 2400MHz C14 memory kit for DDR4 Systems
Part Number/UPC	CMK4GX4M1A2400C14 843591058155
Product Imagery	Images
Product Video	Product Video
Compatibility List	Intel® X99 platform (full list on corsair.com)

Overview

Vengeance LPX memory is designed for high-performance overclocking. The heatspreader is made of pure aluminum for faster heat dissipation, and the eight-layer PCB helps manage heat and provides superior overclocking headroom. Each IC is individually screened for performance potential.

The DDR4 form factor is optimized for the latest Intel X99 Series motherboards and offers higher frequencies, greater bandwidth, and lower power consumption than DDR3 modules. Vengeance LPX DDR4 modules are compatibility-tested across X99 Series motherboards for reliably fast performance. And, they're available in multiple colors to match your motherboard, your components, or just your style.

Features

Feature	Benefit
<ul style="list-style-type: none"> Designed for high-performance overclocking 	Each Vengeance LPX module is built with a pure aluminum heatspreader for faster heat dissipation and cooler operation; and the eight-layer PCB helps manage heat and provides superior overclocking headroom. Each IC is individually screened for performance potential.
<ul style="list-style-type: none"> Designed for great looks 	Available in multiple colors to match your motherboard, your components, or just your style
<ul style="list-style-type: none"> Performance and Compatibility 	Vengeance LPX is optimized and compatibility tested for the latest Intel X99 Series motherboards and offers higher frequencies, greater bandwidth, and lower power consumption.
<ul style="list-style-type: none"> Low-profile heatspreader design 	The Vengeance LPX module height is carefully designed to fit smaller spaces.

Tech Specs

- Density: 4GB (1x4GB)
- Speed: 2400MHz
- Tested Latency: 14-16-16-31
- Voltage: 1.2V
- Format: DIMM
- Pin Out: 288 Pin
- Heatspreader: Anodized Aluminum
- Compatibility: Intel® X99 platform ([full list on corsair.com](#))
