

A man in a light brown jacket and white shirt is holding a camera, looking towards the right. He is standing in front of a large, modern building with a curved, metallic, diamond-patterned facade. The building has a blue-tinted glass section. Other people are visible in the background, and the scene is outdoors with some greenery.

SanDisk®

## SanDisk Extreme PRO® with USB4®

USB4® speeds on the move.

Unlock the power of USB4® and achieve high-performance and portability without compromise. The SanDisk Extreme PRO® with USB4® portable SSD is engineered for on-the-move professionals and modern adventurers, with turbocharged read speeds up to 3800MB/s<sup>1</sup> and capacities up to 4TB<sup>2</sup>. Access your data faster, work on large files in real-time, and deliver nex-gen results at next-gen speeds.

### HIGHLIGHTS

- **UNLEASH USB4® SPEEDS.** Work at a turbocharged pace in external USB drives, with our next-gen USB4® interface achieving read speeds of up to 3800 MB/s<sup>1</sup> and write speeds of up to 3700 MB/s<sup>1</sup>.
- **BACKWARDS COMPATIBILITY.** Store and move data across your older USB 3.2 and USB 2.0 devices, and supports Thunderbolt™ 4 as well.
- **POWERFUL PROTECTION.** Help protect your data while on-the-go, with a rugged silicone shell and forged aluminum chassis.
- **OUTSTANDING RELIABILITY.** A 5-year limited warranty helps ensure your storage is backed by a professional-grade guarantee<sup>3</sup>.
